Artist Paul Jennis has been an illustrator for such diverse clients as Readers Digest, McCall's Magazine, Bantam Books, CBS Sports, Golf Magazine. Paul has been commissioned to do portraits of championship horses, portraits for the White House, prints for the Civil War Trust, and prints for Harley Davidson. Paul's artwork has appeared in many magazines and in TV commercials. He has received much critical acclaim for his award winning Plate series of "Gone With The Wind" for The Bradford Exchange and The Franklin Mint. Paul was recently selected to paint Governor Codey's official portrait for the State House of New Jersey. The most recent articles about the artist have been published in The New York Times, New Jersey Monthly Magazine, and all the major New Jersey newspapers.
